## Reasons why you should use **METERPAK®** premeasured water soluble pouches:

- ✓ Cost effective and control oriented.
- ✓ Eliminates the need for "costly" proportioning equipment.
- ✓ Combines accuracy with ultimate simplicity.
- ✓ No waste, no misuse, no misunderstanding.
- ✓ Pouches can be distributed on an "as needed basis".
- ✓ Protection against pilferage, easily stored under lock and key, in a closet, locker or desk.
- ✓ Dilution ratios are always exact.
- ✓ Employees can be easily trained to safely and effectively use the products.
- ✓ Colour-coded to avoid confusion.
- ✓ Potential accidents and injuries reduced, no bulky, heavy cases, drums and pails to handle.
- ✓ Eliminates disposal of drums and pails.
- ✓ Ideal for use in food service areas where storage space is very limited.
- ✓ 60% less storage space than bulk chemicals.
- ✓ 90% less weight than bulk chemicals.
- ✓ English and Spanish labeling.
- ✓ **METERPAK®** products provide top cleaning performance... first time... every time.

## GENERAL CLEANERS

### NEUTRAL CLEANER

- No rinse formula, saves labour, leaves no dulling film.
- Pine scented.
- Excellent cleaner for alkaline sensitive high gloss floor finishes.
- For use on most hard surfaces;
- Can be used in automatic floor scrubbers.

### ALL PURPOSE CLEANER

- Effective on virtually any hard surface; vinyl, ceramic and quarry tile, terrazzo, linoleum, marble and concrete; painted surfaces; stainless steel; chrome, porcelain and plastic.
- Non-caustic compound.
- Deodorizes as it cleans.
- Lemon fragrance.
- Versatile and free rinsing.

### NEUTRALIZER-CONDITIONER AND ODOR ELIMINATOR

- Neutralizes and removes alkaline residue after floor stripping.
- Conditions the floor for more effective sealing and finishing.
- Eliminates urine odour from hard floors and carpeting.
- Revitalizes mop heads and floor pads.
- Neutralizes ice melter track-in marks.
